MEET THE DUO

FRANCIS *Founder | BSc in Architecture*

An artist, designer, and entrepreneur with a background in architecture, Francis transitioned from the architectural field to the luxury streetwear industry. He developed a holistic approach to design, blending creativity with technical precision. Francis founded G/VERSE and later brought in his partner, Marybeth, as a co-founder. With a diverse skill set spanning fine arts and fashion design, Francis connects ideas and solves creative challenges in innovative ways, contributing a broad range of expertise to the studio.

MARYBETH *Co-Founder | BSc & MArch in Architecture*

A creative polymath with a MArch in Architecture, Marybeth is not only an architectural designer at one of the world's leading firms but also a singer, dancer, and actor transitioning into the film industry. Her diverse talents and experience bring a unique and valuable perspective to G/VERSE, helping to shape the studio's innovative approach to design. Like Francis, Marybeth excels at using cross-disciplinary analogies to find creative solutions that push the boundaries of traditional design.
